Signature of Applicant: _____ Title: _____

Date(s) of Approved Burn(s): _____

Tons/Acres Approved/Day: _____

Approved By: _____ Title: _____

H&S 41854 No Permit Valid on No Burn Day

41854. (a) No permit issued pursuant to Section 41853 shall be valid for any day during which agricultural burning is prohibited by the state board pursuant to Section 41855 or by a district board pursuant to Section 41508.

(b) Each permit shall bear a statement of warning containing the following words or words of like or similar import:

“This permit is valid only on those days during which agricultural burning are not prohibited by the State Air Resources Board pursuant to Section 41855 of the Health and Safety Code”.

H&S 41862 District May Approve Burning on No Burn Days

41862. A district may issue a permit to authorize agricultural burning on days designated by the state board pursuant to Section 41855 as nonburning days when denial of such a permit would threaten imminent and substantial economic loss.

The state board shall require the districts to transmit regular reports of permits issued authorizing agricultural burning on nonburning days. The report shall include the number of such permits issued, the date of issuance of each permit, the person to whom each permit was issued, and any other information requested by the state board.
